Storyline. The roots of America's War on Drugs is uncovered. Secret assassination attempts, the CIA's bizarre experiments with LSD, and covert support of heroin traffickers are factors leading up to President Nixons' declaration of war on drugs in America. It's a story of lies and unintended consequences - a gonzo story of gangsters and gurus, war lords and spies, street gangs and politicians - all vying for power and control of a growing new black market for narcotics.
