Surgery of the Esophagus PDF : Textbook and Atlas of Surgical Practice. E-BOOK DESCRIPTION. While a surgeon many decades agotreated diseases from headto toe, this concept has evolved, and today some degree of specialization is the rule worldwide. In many countries various boards for sub-specializations are designed, and after a broad training in general surgery, many young surgeons move on further into a specific field.

Atlas of Esophageal Surgery eBook by - 9783319130156 ...

Surgery to remove some or most of the esophagus is called an esophagectomy. If the cancer has not yet spread far beyond the esophagus, removing the esophagus (and nearby lymph nodes) may cure the cancer. Unfortunately, most esophageal cancers are not found early enough for doctors to cure them with surgery.
