Autocracy and Redistribution: The Politics of Land Reform ...

Hence, Albertus argues that, for land redistribution to become a real possibility, it has to be championed by a political coalition in order to reduce the power of political and legal constraints established by the landed elite. This is where land reform conducted in autocratic countries comes into the picture.

Autocracy and Redistribution: The Politics of Land Reform (Cambridge Studies in Comparative Politics) Hardcover - 15 Sept. 2015 by Michael Albertus (Author)

Autocracy and Redistribution: The Politics of Land Reform ...

Yet comprehensive historical data to test this claim has been lacking. This book shows that land redistribution - the most consequential form of redistribution in the developing world - occurs more often under dictatorship than democracy. It offers a novel theory of land reform and develops a typology of land reform policies.

FSI | CDDRL - Michael Albertus

Democratization (or democratisation) is the transition to a more democratic political regime, including substantive political changes moving in a democratic direction. It may be the transition from an authoritarian regime to a full democracy, a transition from an authoritarian political system to a semi-democracy or transition from a semi-authoritarian political system to a democratic political ...
