Application. I applied online. I interviewed at Bizmates (Manila, Manila (Philippines)) in May 2017. Interview. the whole process is fine. it's fast and very organized. but interviewer was too direct. I said : I think we should ask the student to correct his sentence first before we give our own correction.. and then she said: we don't do that here in bizmates.. it sounded like my idea which ...

Skype has its own limitations but its very manageable and does not really affect your performance. Well, at least in my case. However, I believe that there is already a new big thing coming for Bizmates where Skype will already be a thing in the past. So I guess this is a win for bizmates, trainers and students.

**Bizmates Reviews | Glassdoor**  
I applied online. The process took 1 day. I interviewed at Bizmates in September 2019. Interview. After passing their screening, you will go through an initial interview. The recruiter is painfully mechanical and everything she says is obviously scripted. You know that she has been telling every applicant the same thing every time.
