BK-behavioral kinesiology : how to activate your thymus ...

BK is established on the basic philosophy of applied kinesiology: "Every major muscle of the body relates to an organ," and that muscles and organs can be "tested" to determine the condition of the "life energy" flowing through the supposed meridians related to them. By "muscle testing," BK claims that it is able to determine the "strengthening" or "weakening" effect of a vast array of objects upon a person's "life energy," from foods and other items to ...
