Community gardening as social action | Request PDF

The book's overall argument is that community gardening is not just a leisure activity but can be a form of local activism, as a means of reclaiming private space for public use, of improving urban environments, or contributing to food security. The reviewer finds some of these arguments are more convincing than others.

Community gardening as social action - sei.org

Growing Community Although it is possible to observe community in action in locations like Northey Street, 'community' remains a slippery term, combining moral and social values, spatial relationships and collective identities and solidarities.

Growing Community | Community Gardening as Social Action ...

The thesis shows that community gardening is used strategically and intentionally as a performance to make collective claims. In some contexts and to the extent to which it is so used, it argues that community gardening can be understood as a social movement practice.

COMMUNITY GARDENING AS SOCIAL ACTION

community gardening should be considered as a social movement. She presents the movement's key activities as tactics for collective action which seek to achieve social change, particularly in relation to food systems and by putting environmental principles into action. The book demonstrates that community gardening exhibits the

BOOK REVIEW Community Gardening as Social Action

Drawing on case studies and social movement theory Claire Nettle provides a new empirical and theoretical understanding of community gardening by applying a contextual framework that considers the activity as a way for people to engage in collective social action.
