Create your own comics with this great app | Creative Bloq

Stage 1 basically sets up the context and scene so that the story can begin and the characters can begin to interact. To start this Ki (introduction) stage, a manga-ka draws the opening frame, called an establishing shot, to give the readers a sense of the location where the story takes place. These shots are usually larger than the average-sized frame the manga-ka draws because he wants to include more detail in the setting.

Constructing Your Manga Plot - dummies

To create your own characters, you want to really think about what makes a character unique. You don't want yours to be just a shadow of an existing character, but an individual with their own personality evolved through a unique set of life experiences. A useful approach is to use some key questions to guide your thinking. 01
