Cut Paste Create A Design

Cut, Paste, Create is a visual journal where the reader is encouraged to fill the pages with design ideas using collage and to explore and reflect on their own creative concepts and personal taste. Whilst some pages seek a more personal engagement, for example relating to moods or feelings, others simply provide a space to design a range of coats for your dog or create a welcome mat to invite people in to your home.

Just copy the Slide Master design, complete with fonts, colors, and graphics, to the other presentation. It's as easy as opening both PowerPoint files and doing a simple copy and paste between them. Instructions in this article apply to PowerPoint 2019, PowerPoint 2016, PowerPoint 2013, and PowerPoint for

Microsoft 365.

Copy a PowerPoint Slide Master to Another Presentation

One of the advantages of using a Cricut machine is that you can design your own shapes to cut out. Instead of relying on standard designs that come with the machine, you can make an image in a vector graphics program, such as "Adobe Illustrator" or "Inkscape," and convert it to a format the Cricut recognizes.
