The Fire Catcher is an interesting story about a real time in history where life, survival, love, hate, religion and power, often clashed in most unusual and sometimes horrific ways. It's a book that's hard to put down, but an emotional relief when it ends. Hope the "Thief Taker" lives on the pages of Book 3.

Too many twists and turns make the
story a bit confusing but overall is not a
bad reading. I will be reading book 3 and
