Funding Virtue: Civil Society Aid and Democracy Promotion ...

This is the question addressed by Funding Virtues. In their attempt to answer it, the editors approached a group of talented experts in the field of civil society aid, on both the giving and the receiving side, and asked them to address the following questions: What concepts of civil society do aid providers employ, and how do these concepts relate to local realities in the recipient countries? Where do the programmes make a difference, and where do they fall short? How can civil society aid ...

Abstract. The concepts of civil society and social capital generated a cornucopia of expectations for social change, democracy, and economic development among foreign aid agencies and Western governments in the aftermath of the Cold War. These concepts were used to explain a wide variety of social and political changes, including the fraying of the social fabric in the United States and in ...
