When you become a stepfamily - Family Lives

Couples in a stepfamily need to accept certain realities. The step-parent dynamic will typically differ from the bio-parent dynamic. Sometimes grudging respect and mutual accommodation are the best you can hope for between a stepchild and their step-parent. In time, family dynamics will improve to the degree that you work at it.

9 Tips for Making Stepfamilies Work

Bray's research found that stepfamilies often don't feel like a unit until several years after formation. Give yourselves time to come together and develop as a family. You can help this process along by establishing some special family traditions like a weekly pizza and movie night or a monthly outing to your family's favorite restaurant.

Seven Tips for Stepfamily Success

A step family, blended family, bonus family, or instafamily is a family where at least one parent has children that are not biologically or adoptive related to the other spouse or partner. Either parent, or all, may have children from previous relationships. Children in a stepfamily may live with one biological or adoptive parent, or they may live with each biological or adoptive parent for a period of time. In addition, visitation rights mean that children in stepfamilies often have contact wit
