The standard definitions. Judges normally do not define intention for juries, and the weight of authority is to give it its current meaning in every day language as directed by the House of Lords in R v Moloney, where can be found references to a number of definitions of intention using subjective and objective tests, and knowledge of consequences of actions or omissions.

Good Intentions 1 Elliott Kay - eufacobonito.com.br

Have you ever sat back and wandered about unintended consequences of good intentions. There are a lot of real life examples, but two I've reflected on lately are: In the late 90's we saw a push to increase home ownership, and we saw the creation of easy-to-access home loans that led the way to an overly loose banking environment where folks ...
