The site provides you with resources for learning the key structures, processes, and terminology of neuroscience, as well as instructor-assignable quizzes to gauge your comprehension.

Neuroscience, Fifth Edition

Although Neuroscience 5th Edition does not go into the biochemical pathways involved in neural function in any depth, it is an important book, and I recommend it for students of neuroscience. The many color plates, and explanations of details that surround the actual text, sometimes take away from the coherency of the main text, but are always on topic, and timely.
