John Roy Whinnery - Wikipedia

But a second wave of the Covid-19 outbreak is already under way in Spain, straining the capital's public health care system. Around 400 builders

have been working round the clock since July to build the 45,000-square-metre (484,000-square-foot) Isabel Zendal hospital, which will be able to care for over 1,000 patients during a health emergency.
