The Lost Art of Listening | The Medical Questions

Unfortunately, it appears to be a lost art. We live in a world where everyone is talking but few are listening. What often passes for listening is simply one person pausing to collect their thoughts for their next soliloquy. Just turn on your favorite talk radio or television show to experience a vivid example of this.

The Lost Art of Listening - Michael Hyatt

The Lost Art of Listening Summary tells us the importance of talking and listening. The author says listening, or rather, not listening to each other separates us from our family, friends, and co-workers.

The Lost Art of Listening - American Society for Cybernetics

Listening is the simplest form of communicating with someone -- what's a talker without a listener?In his book, "The Lost Art of Listening" (Guilford Press), Michael P. Nichols, Ph.D., notes, "Nothing hurts more than the sense that people close to us aren't really listening to what we have to say.

The Art of Listening.

The (lost) art of listening I t’s something I’ve told my children since before they could fully understand what it meant: God gave you two ears and one mouth so you could listen twice as much as you speak. I’d do well to follow the same advice; wouldn’t most of us? Listening, active listening, is a dying art.

The (Lost) Art of Listening

We’ve all become experts in the art of pitching, in posting, commenting, sharing and sending. Whether honing your image on the ‘gram, or perfecting that tweet, we’re lost in a world of Brand Me.
